Latest News

This quarter, we have visited the Aerospace Museum in Bristol, the Altazimuth Pavilion at the National Maritime Museum and the official opening of the Studley Grange Wildlife Trail on the restored Wiltshire and Berkshire Canal. You can read more about these projects by clicking on the pictures above. For daily updates on all the projects we fund, follow our twitter account @viridorcredits.

In Scotland

Recently completed projects include Wishaw Bowling Club, where SLCF funding has helped provide a specialist mower as well as a new dance floor for celebrating those wins! Also completed this quarter was Athelstaneford Church's organ. This picturesque church, situated in the birthplace of the Scottish Saltire, is very popular for weddings and now the organ can send the happy couple away with a rousing chorus.
